PROFESSIONAL PROFILE

Results-driven SEO professional with 5+ years of experience delivering measurable organic growth across technical SEO, on-page optimisation, content strategy, local SEO, link building, and digital PR. Proven track record achieving 60% organic traffic growth, 25% CTR improvement, and up to 40% reduction in technical issues across B2B, B2C, retail, and service-based websites. Experienced in log file analysis, Core Web Vitals, schema markup, AEO/GEO, crawl budget optimisation, and website migrations. Commercially minded and cross-functional, translating complex SEO data into clear strategies that drive rankings, revenue, and long-term organic growth

PROFESSIONAL EXPERIENCE

The Works Ltd - SEO Executive, Coleshill Parkway, United Kingdom

Sept 2025 – Present

- Improved organic visibility by 10–15% and clicks by 8–12% YoY across category, seasonal, product, and inspiration pages through rigorous on-page SEO, metadata optimisation, content taxonomy refinement, and CTR improvements.
- Delivered end-to-end SEO strategies combining deep technical knowledge (site audits, indexation, schema markup) with content optimisation, resulting in improved search rankings and revenue.
- Supported local SEO and Google Business Profile optimisation across store pages, driving regional organic visibility improvements.
- Collaborated with cross-functional teams, including content and digital PR to implement cohesive SEO strategies.
- Implemented AEO and GEO content strategies to optimise for AI-led search features including featured snippets, People Also Ask, and LLM-generated results.
- Analysed and interpreted data using analytics tools to provide insightful weekly performance reports and actionable recommendations.

Turtle Media & Marketing Ltd - SEO Executive, Liverpool, United Kingdom

Jan 2024 – Sept 2025

- Led SEO strategy and delivery across a multi-client portfolio, achieving 60% organic traffic growth and 25% CTR improvement across service-based websites.
- Managed client relationships end-to-end from initial strategy scoping through to monthly reporting, performance reviews, and ongoing roadmap development.
- Directed technical SEO programmes across all client accounts, resolving crawlability, indexation, schema, and site speed issues to drive sustainable organic growth.
- Coordinated cross-functional delivery with content writers, developers, and paid media teams to ensure integrated digital marketing execution.
- Led AEO and GEO content strategy, creating structured, intent-led, FAQ-focused content frameworks designed to capture AI-generated search features.
- Built and executed niche keyword strategies per client sector, increasing qualified inbound organic leads and reducing reliance on paid channels.
- Supported digital PR and link-building campaigns, contributing to measurable domain authority growth across client portfolios.

Bravas Digital - SEO Lead, Mumbai, India

Feb 2023 – Sept 2023

- Improved local search rankings by 30% and grew domain authority by 15% through programmatic SEO, location-based keyword targeting, GMB optimisation, and coordinated link-building and digital PR campaigns with content teams.
- Delivered on-page and technical SEO improvements including UX enhancements, site architecture optimisation, and CRO recommendations lifting landing page conversion rates by 15% and reporting results directly to agency leadership.
- Forecasted organic traffic using GSC CTR model and presented projections to clients, obtaining approvals for recommended strategies.

Digimark Agency - SEO Project Manager, Bangalore, India

July 2022 – Jan 2023

- Delivered 62% ROI across client accounts through a full-mix SEO approach combining technical audits, on-page optimisation, site architecture improvements, and content-led ranking strategies while managing end-to-end project delivery across multiple accounts.
- Built and maintained long-term client relationships through tailored SEO roadmaps, monthly analytics reporting, and cross-functional collaboration translating performance data into clear, actionable recommendations for clients at director level.

Magnarevo Pvt Ltd - SEO Executive, Mumbai, India

March 2021 – July 2022

- Achieved 65% ROI for B2B client websites through strategic backlink acquisition, keyword optimisation, and on-page SEO combined with technical audits resolving crawl errors, broken links, and page speed issues using SEMrush and Ahrefs to inform data-led decisions.
- Collaborated directly with clients to develop audience-focused SEO strategies, aligning technical fixes, content improvements, and off-page activity with business development goals and sales pipeline objectives.

Strux Inc - SEO Specialist Intern, Mumbai, India

Oct 2020 – March 2021

- Conducted SEO audits, keyword research, and link-building activity using Ahrefs and SEMrush, with direct collaboration on Webflow SEO implementation.
